

## 1<sup>st</sup> Semester Auburn feedback results announced!!

I received a report on Northside Freshmen from Auburn University and thought many would appreciate hearing these results. Our students that graduated this past spring are doing very well. We had 5 students enrolled at AU making up about 0.1% of the Auburn freshman student population. However this is around 10% of our graduating class of 2009.

### Statistics

	NMA Students	All other AU Freshman
Total GPA	3.56	2.94
Chemistry I	3.00	2.57
Chemistry Lab	3.50	3.25
Intro to Engineering	4.00	3.28
World Lit	3.00	3.27
World History I	3.67	2.54
Finite Math and App	3.00	3.20
Precal, Alg, Trig	3.50	2.71
Calculus I	4.00	2.96
Engineering Physics I	3.00	2.43

Through Spring 2009 our students had a GPA of 3.52 with other freshman having 2.93, and in Math we had a 3.63 while others had 2.95. Our percentage of students entering college with credit was 80% while all others was 47.9% Way to go, Northside!
