BIBLELAND

Summer Camp 2013

"How sweet are your words to my taste, sweeter than honey to my mouth!"
Psalm 119:103

Got a sweet tooth?! Then join us this summer as we play through the game of "Bibleland". We will explore God's word through play and adventure learning about the **path** that God intends for us to take. The path of eternal life through His Son, Jesus Christ.

Grades K3-K4 will have many adventures here on campus such as a Dinosaur Egg Hunts, Safari trips, visiting "Italy" to find the missing meatball and much more. They will have a water day once a week with kiddie pools and slides.

Grades K5 – 8th will enjoy many field trips such as Fun Zone, Water World, the Aviation Museum. They will, also, help with some missionary projects around the community that range from baking homemade goods for our local Fire Stations and collecting used clothing for shelters. We will take a trip once a week to the local pool for water day. (Lifeguards are on duty) Students will enjoy various classes such as arts and crafts, a rocket class, a science class, a cross stitching class and more.

We have so much planned and are very excited to begin playing….what piece of the game are you? Don't miss out on this "sugary" adventure.
