

Northside Methodist Academy

High School Supply List

2019 - 2020

for 7th–12th grades

*****Supplies listed in the General Supply List in each grade can be purchased through Enterprise Office Supply, or parents can buy items individually.**

(See supply form)***

Supplies are listed by grade not by subject.

Students and parents are to get the supplies listed in the general supply sections and in addition get only the supplies listed under specific classes in the student's class schedule.

For example: an 8th grade a student taking Algebra 1 would get general supplies plus the special calculator listed in that section and so on until the student had all the supplies required listed in each class.

These supplies need to be kept in their lockers or backpacks.

Northside Methodist Academy

High School Supply List
