

Northside Methodist Academy

Middle and High School Supply List

2023-2024

for 7th–12th grades

Supplies are listed by grade not by subject.

- Students and parents are to get all the supplies listed in the general supply sections and have them in all classes daily. Replenish as needed.
- In addition to general supplies: get only the supplies listed under specific classes in the student's class schedule including electives.
For example, an 8th grade student taking Algebra 1 would get general supplies plus the special calculator listed in that section and so on until the student had all the supplies required listed in each class.
- Please make note of any fees associated with classes such as electives, sciences and mathematics.
