Dear Parents,

Welcome and thank you for your interest in Northside Methodist Academy.

We function as an interdenominational Christian school that is on mission: "To train students in the knowledge of God and the Christian way of life while giving every student an excellent education."

At Northside we want to see transformation of hearts, of minds, and entire lives to follow Jesus Christ as Lord. We believe that everything that we do should be done with excellence and should be done as worship to God and as a witness to the world. We desire to partner with families and local churches in Dothan and beyond to bring transformation on our campus and in our community.

Here is a glance of who we are and what we are seeking to accomplish:

- Fully accredited school through the Alabama Independent School Association/AdvancED/SACS.
- Provide an excellent education from a thoroughly biblical worldview perspective taught by teachers who are called by God to minister to children and youth.
- Give every student a safe campus and learning environment where they can thrive physically, emotionally, and spiritually.
- A diverse campus that seeks to love our community well.
- Great clubs and athletics that develop our students holistically according to their interests, natural talents, and gifts.
- Academic advising that helps prepare youth for their next steps for college and vocations.
- A school family that shows concern for one another and provides open doors for involvement.

Thank you again for considering NMA to be your school family. We look forward to getting to know you better and helping serve the needs of your children.

Glory to God alone,

Josh Halubka
Head of School
