

Northside Family Priority Funds

Explanation of Funds:

This application is based on our core values of truth, training, and transformation. Our priorities as a school include our emphasis on 1) spiritual growth and development, 2) academic excellence, 3) and involvement in extracurricular activities with Northside as a part of a student's holistic growth in the Northside school family.

Guidelines for Agreement:

- All families must contribute financially towards their child's education to some extent.
- Families must be current with payments and maintain communication regarding it.
- Family members receiving these funds must be willing to volunteer on campus at times.
- Funds shall be available for families in need ranging from elementary to high school.
- Financial aid will be used in compliance with school and athletic association rules.

Application of Commitment:

- 1) **Spiritual Emphasis**—Northside wants to partner with parents who are seeking to raise their children in the knowledge of God and Christian way of life based in the gospel of Jesus Christ and in the Bible as a whole. Students must be involved in regular church attendance or involvement in Northside Methodist Church and Student ministry.
 - What church are you and/or your child currently involved with or plan to commit to on a regular weekly basis?
- 2) **Academic Excellence**—Students must be hard working in the classroom; they must have good grades and behavior.
- 3) **Extracurricular Involvement**—Students must commit to at least one athletics program, school club, or fine arts program at Northside if physically able and if one is provided by Northside for their age/grade. *(Northside may be able to help provide cover fees if needed based on need and availability.)*
 - What activity does your child plan to participate in for the applicable school year?

I agree to the above conditions:
